

GrittyFOAM

Please remember to wash your hands

Skin Cleanser

WHEN TO USE:

- After visiting the washroom
- Whenever hands are visibly soiled
- After touching contaminated surfaces
- After each work period

HOW:

1

Apply 1 shot of soap to dry hands

2

Rub in well all over palms and back of hands

3

Add a little water to loosen soilings

4

Rinse hands with water

5

Dry hands thoroughly

To keep your skin in good condition remember to apply moisturising cream
