

Kresto® Special ULTRA

Specialist, Ultra Heavy Duty Hand Cleanser

PRODUCT DESCRIPTION

Specialist hand cleanser paste with mild ester based solvent formulation to remove difficult adherent contaminants.

WHERE TO USE

For use in industrial environments including print, paint and body shops, where specialist adherent contaminants are encountered.

INSTRUCTIONS FOR USE

- Apply 1 dose before adding water direct to soiled hands
- Rub in to loosen dirt
- Add a little water and continue washing
- Rinse with plenty of water and dry thoroughly

Keep out of reach of children. If solution is swallowed, get medical help or contact a poison control center right away.

FORMAT: PASTE

FEATURES	BENEFITS
With mild ester based solvent	Specialist solvent provides outstanding cleansing action without harming the skin
Effective specialist cleansing	Removes alkyd and acrylic paints, base coats, laquers, resins, body fillers, adhesives and varnishes
Highly concentrated formulation	Uses 100% active ingredients in a clay-thickened matrix, enabling only a small amount of product required for effective and economical cleansing
Contains Astopon® natural scrubbing agent	Astopon® is produced from refined walnut shell powder, a natural and renewable source. It helps provide a deep clean without damaging the skin and has no negative impact on the environment. The scrubbing agent is easily rinsed away, preventing blocked drains and pipes
Soap-free formulation	Formulated for frequent use to be gentle to the skin
Low odor	Pleasant to use for high user acceptance
Silicone-free	Suitable for use in any production sites where paint and surface coating processes are undertaken

Kresto® Special ULTRA

Specialist, Ultra Heavy Duty Hand Cleanser

STATUTORY REGULATIONS

This product is manufactured and labeled in compliance with the Federal, Drug, and Cosmetic Act issued by the Food and Drug Administration (FDA).

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from www.debgroupp.com/us/sds

SHELF LIFE

This product has a shelf life of at least 24 months from the date of manufacture when stored unopened at room temperature.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.
